

HD MINI NURSERY JAWS®

Small but mighty, the HD Mini Nursery Jaws® is the perfect addition to your walk-behind loader. With a 1500 pound capacity the HD Mini Nursery Jaws® can handle your toughest jobs with ease. Like all the larger Nursery Jaws®, the HD Mini Nursery Jaws® can move B&B, containers, boxes, and rocks & boulders. Coupled with a mini skid steer or track loader, the HD Mini Nursery Jaws® allows you to transport your landscaping material in tight places, through gates and down narrow aisles. The HD Mini Nursery Jaws® will make your Mini loader mighty!

- Mini Nursery Jaws® handles up to 36" B&B, containers, & small rocks & boulders
- Lightweight & compact for use in tight spaces
